GARP | Global Association of Risk Professionals

Exam Date: May 19, 2018

GARP [illegible]37

Dear Hanyang Li,

Congratulations! You passed the May 19, 2018 Financial Risk Manager (FRM®) Exam Part II.

On behalf of the Global Association of Risk Professionals (GARP), GARP's Board of Trustees, and the FRM Committee, we congratulate you on passing the FRM Exam Part II. This accomplishment is an indication of your commitment to excellence in financial risk management and demonstrates that you have the valuable knowledge, skills and abilities required of a financial risk manager.

In our continuing effort to provide useful feedback about the Exam, we invite you to review an analysis of your exam results, including information about your individual performance relative to all other candidates who sat for the May 19, 2018 FRM Exam Part II. Please go to "My Programs" for your quartile rankings. We hope you will find this feedback useful in your career as you take the final steps towards certification.

The Next Step—FRM Certification

To complete the FRM Certification process, you will need to demonstrate two years of professional work experience. This can be done by submitting a brief description (at least four sentences) of how you use financial risk in your day-to-day job responsibilities under "My Programs." If you submit this information by September 15, 2018, your certificate will be included in the September 28, 2018 distribution. FRM Certificates are distributed at the end of each quarter (March, June, September, and December) to all qualified candidates.

Please keep in mind that if you fail to submit your work experience within five years (by May 2023), you will be required to re-enroll in the Program and retake the FRM Exam as a new candidate.

Once you become a Certified FRM, we strongly encourage you to use the FRM designation on all professional correspondence to highlight your accomplishment and help build awareness of the FRM Program. Please don't forget to opt-in to the Certified FRM Directory and display your digital FRM badge on your social networks to inform your colleagues of your accomplishment.

Staying Engaged

We also encourage you to take advantage of the many ways that GARP promotes and fosters engagement with the broader risk community. Information about GARP's Chapter Meetings, webcast series, news alerts, risk publications and more can be found on our website at www.garp.org.

Continuing Professional Development (CPD) Requirements

Shortly after receiving your FRM Certificate, we will send details about participation in GARP's CPD Program. The CPD Program is voluntary for Certified FRMs. Participation demonstrates your desire to stay up-to-date with industry trends as well as your continued commitment to developing your risk management skills.

You are a valuable member of our Association and you have our best wishes for continued success in the risk management profession. We look forward to supporting you throughout your career.

Sincerely yours,

William May

GARP | Global Association of Risk Professionals

Exam Date: May 19, 2018

GARP ID: [redacted]

Dear [redacted],

Congratulations! You passed the May 19, 2018 Financial Risk Manager (FRM®) Exam Part II.

On behalf of the Global Association of Risk Professionals (GARP), GARP's Board of Trustees, and the FRM Committee, we congratulate you on passing the FRM Exam Part II. This accomplishment is an indication of your commitment to excellence in financial risk management and demonstrates that you have the valuable knowledge, skills and abilities required of a financial risk manager.

In our continuing effort to provide useful feedback about the Exam, we invite you to review an analysis of your exam results, including information about your individual performance relative to all other candidates who sat for the May 19, 2018 FRM Exam Part II. Please go to "My Programs" for your quartile rankings. We hope you will find this feedback useful in your career as you take the final steps towards certification.

The Next Step—FRM Certification

To complete the FRM Certification process, you will need to demonstrate two years of professional work experience. This can be done by submitting a brief description (at least four sentences) of how you use financial risk in your day-to-day job responsibilities under "My Programs." If you submit this information by September 15, 2018, your certificate will be included in the September 28, 2018 distribution. FRM Certificates are distributed at the end of each quarter (March, June, September, and December) to all qualified candidates.

Please keep in mind that if you fail to submit your work experience within five years (by May 2023), you will be required to re-enroll in the Program and retake the FRM Exam as a new candidate.

Once you become a Certified FRM, we strongly encourage you to use the FRM designation on all professional correspondence to highlight your accomplishment and help build awareness of the FRM Program. Please don't forget to opt-in to the Certified FRM Directory and display your digital FRM badge on your social networks to inform your colleagues of your accomplishment.

Staying Engaged

We also encourage you to take advantage of the many ways that GARP promotes and fosters engagement with the broader risk community. Information about GARP's Chapter Meetings, webcast series, news alerts, risk publications and more can be found on our website at www.garp.org.

Continuing Professional Development (CPD) Requirements

Shortly after receiving your FRM Certificate, we will send details about participation in GARP's CPD Program. The CPD Program is voluntary for Certified FRMs. Participation demonstrates your desire to stay up-to-date with industry trends as well as your continued commitment to developing your risk management skills.
